I, as President of the District Board have got to do a great deal of itineration for checking the works on District Fund Roads, checking the collection of shandy Khists, sale of jatras and inspection of Vaidyasalas, Travellers' Bungalows and Musafurkhanas. The travelling allowance now allowed to me is hardly sufficient to maintain a car with the daily rising price of petrol and other accessories. The cost of itineration makes an ingress into my private purse.

As President of the District Board, I have to discharge the functions similar to those of Department of Public Works and Revenue Officers. I beg to submit that it is fair and just that the President should get the exemption as other Officers mentioned above. I therefore request you to kindly move the Government to grant me also exemption from

Sir,

I have the honour to state that the Presidents and their subordinates of District Boards have to travel in their jurisdiction very often for inspection of District Board works and other matters pertaining to the administration of the Boar but they have to pay toll even when they travel on duty connec the Board.

Government in their order No.T.3464 R.I 12-40-38 dated 30-5-1941 have exempted officers and subordinates of the Public Works and Revenue Departments who travel on duty within their jurisdiction.

As President and their subordinates have to discha the functions similar to those of Public Works and Revenue Dep ment Officers and their subordinates on several occasions it i but equally fair and just that they should also be exempted fr payment of Tolls and also I would like to add that toll is collected in District Board Bridge Toll gates.

I therefore, request you to kindly move Governme to accord sanction for exempting vehicles belonging to the Presidents and the subordinates of the District Boards while t
